Dear Madam

**BIOTRON LIMITED PRESENTS AT BIOTECH SHOWCASE™ 2015**

Biotron Limited advises that Dr Michelle Miller, Managing Director, will be presenting at the Biotech Showcase™ 2015 Conference being held this week in San Francisco, California, USA.

In addition, Dr Miller will give briefings to USA institutional investors and pharmaceutical company representatives as part of activities surrounding the annual JP Morgan Healthcare Conference. This is one of the most important healthcare investor conferences which annually attracts thousands of healthcare and life science business executives to San Francisco.

The Biotech Showcase™ features corporate presentations by innovative life science companies to an audience of public and private investors, business development executives and professional advisors who are interested in investment opportunities and collaborations. Now, in its seventh year, Biotech Showcase™ is expected to attract upwards of 1,500 attendees.

The presentation by Dr Miller will highlight the Company's recent advances, including:

- 100% SVR12 in HIV/HCV genotype 3 patients treated with BIT225 plus interferon/ribavirin (IFN/RBV), representing a cure of HCV infection.
- Completion of recruitment of a pivotal 3-month dosing, phase 2 trial of BIT225 in Hepatitis C virus (HCV) genotype 1 and 3 patients.
- Completion of an over-subscribed, fully underwritten rights issue, raising \$4 million.

A copy of the presentation can be found on Biotron's website at [www.biotron.com.au](http://www.biotron.com.au).

## **About Biotron**

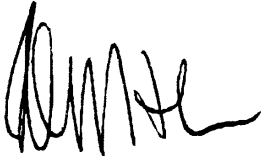

Biotron Limited is engaged in the research, development and commercialisation of drugs targeting significant viral diseases with unmet medical need, with a major focus on HIV and HCV. The Company has BIT225 in clinical development for both HIV and HCV and also has several earlier stage preclinical and research programs for several other viral infections including Dengue.
