¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

**CORPORATE GOVERNANCE STATEMENT
FOR THE YEAR ENDED 30 JUNE 2021
(ASX: BIT)**

This Corporate Governance Statement is current as at 27 August 2021 and has been approved by the Board of Biotron Ltd ('Biotron' or 'the Company'), on that date. A copy can be found on the Company's website at www.biotron.com.au/corporate-governance.

This statement outlines the main Corporate Governance practices that were in place throughout the financial year, which comply with the Australian Stock Exchange ('ASX') Corporate Governance Principles and Recommendations 4th Edition ('Recommendations'), unless otherwise stated.

CORPORATE GOVERNANCE STATEMENT

The Board of Directors of the Company ('the Board') is committed to maintaining the highest standards of Corporate Governance. Corporate Governance is about having a set of core values and behaviours that underpin the Company's activities and ensure transparency, fair dealing and protection of the interests of stakeholders.

The Board of Directors supports the Recommendations developed by the ASX Corporate Governance Council ('Council'). Whilst the Company's practices are largely consistent with the Council's guidelines, the Board considers that the implementation of some Recommendations are not appropriate having regard to the nature and scale of the Company's activities and size of the Board. The Board uses its best endeavours to ensure exceptions to the Council's guidelines do not have a negative impact on the Company and the best interests of shareholders as a whole. When the Company is not able to implement one of the Council's Recommendations the Company applies the 'if not, why not' explanation approach by applying practices in accordance with the spirit of the relevant principle.

The following discussion outlines the ASX Corporate Governance Council's eight principles and associated recommendations 9.1 through 9.3 and the extent to which the Company complies with those recommendations.

Details of all of the Council's Recommendations can be found on the ASX website at www.asx.com.au.

Principle 1 – Lay solid foundations for management and oversight

Board role and responsibilities

In accordance with Biotron's Board Charter, the Board is responsible for, and has the authority to determine, all matters relating to the policies, practices, management and operations of the Company. The Board is also responsible for the overall corporate governance and management oversight of the Company and recognises the need for the highest standards of behaviour and accountability in acting in the best interests of the Company.

Without intending to limit the role of the Board, the principal functions and responsibilities of the Board include the following:
